You are responsible to be at the classes listed (whether teaching or assisting).

Life happens, but classes need to go on. If you run into a scheduling conflict or something comes up that will delay or prevent you from making a scheduled class, it is your responsibility to find a suitable replacement or swap (from the list below). Try to keep swapping, etc. to a minimum as the classes you are scheduled to teach/assist with were chosen for your own best development in mind.
